

Steve Gaskill, PT

Steve graduated from the University of Southern California in 1997, receiving his bachelor's degree in exercise science. In 2002, he graduated from Mount Saint Mary's College, receiving his master's degree in physical therapy.

He started his career at OrthoIndy in 2013. Steve is currently a staff physical therapist, with a focus in manual therapy, at OrthoIndy Northwest Physical Therapy. His favorite part of his job is collaborating with great people and working as a team. He enjoys seeing the transformation in a person's life as they improve functionality and return to normal.

OrthoIndy Hospital is physician owned and operated.
