

Andy Bauermeister, PT

Andy graduated from Indiana University in 2003. In 2006, he graduated from IUPUI with a doctorate of physical therapy. He is an APTA certified clinical instructor. Andrew is also certified in DSI functional capacity

assessment, job function description, job function testing and job function matching. He started his career at OrthoIndy in September 2010 and is currently a staff physical therapist at OrthoIndy South Physical Therapy. He enjoys seeing people reach their goals and regain functional abilities.

OrthoIndy Hospital is physician owned and operated.
