

Jessica Black, OT

Jessica graduated from Syracuse University in 1995, receiving a bachelor's of science degree in occupational therapy. Jessica started her career at OrthoIndy in 2016. She is a certified hand therapist at Ortho-

Indy Fishers Physical Therapy and OrthoIndy Carmel Physical Therapy. Her favorite part of being an occupational therapist is all the people she meets on a daily basis. She finds it to be a very rewarding job to help people get their lives back.

OrthoIndy Hospital is physician owned and operated.
