

Kelly Brown, OT

Kelly graduated from Michigan State University in 2005 and received her master's from Indiana University in 2009. She started at OrthoIndy in October 2014.

Kelly is an occupational therapist and sees outpatients at

OrthoIndy Northwest and OrthoIndy Fishers as well as inpatients at OrthoIndy Hospital Main. She treats patients with hand, wrist and elbow injuries and conditions. She also completes functional capacity evaluations. Her favorite thing about working at OrthoIndy is her coworkers.

OrthoIndy Hospital is physician owned and operated.
